History

The Peace Pole Project

Planting the Universal Message of Peace

What is a Peace Pole

A Peace Pole is a hand-crafted monument that displays the message and prayer ***May Peace Prevail on Earth*** on each of its four or six sides, usually in different languages. There are tens of thousands of Peace Poles in 180 countries all over the world dedicated as monuments to peace. They serve as constant reminders for us to visualize and pray for world peace.

Peace Poles inscribed with the message, May Peace Prevail On Earth, is a trademark icon of The Peace Pole Project™

Peace Poles Around The World

When you plant a Peace Pole in your community, you are linking with people all over the world who have planted Peace Poles in the same spirit of peace.

Every Peace Pole proclaims the prayer *May Peace Prevail on Earth* in the language of the country and often several other languages as well.

Peace Poles can be found on all the continents around the world.
